Dear Mr. Kahan:

Thank you for your outreach and cooperation with South Brentwood Residents Association*. Since we are your immediate neighbors, we support the best possible solutions to the challenges you face when constructing a project of this size at this critical location.

SBRA supports the following:

1. **The waiver to *not* widen Barrington**, *provided that an enhanced sidewalk is installed with high quality landscape and hardscape.*
2. Installation of maximum permeable surfaces. The SBRA Land Use Committee shall review the landscape and hardscape design with Rios Clementi Hale.
3. Inclusion of a drop off lane on Barrington.
4. Provision of affordable valet and self parking in the adjacent building.

We appreciate your presentation to our board and willingness to work with us.
We look forward to continuing our dialogue with you!
