The following slate of 2014-2015 Board of Directors was proposed:

A Motion was made and seconded for the election of the proposed slate. By vote of a majority of members present, the 2014-2015 Board of Directors was elected.

Councilmember Mike Bonin of the 11th Council District then spoke and responded to several questions from the audience.

Los Angeles Dept. of Water and Power new General Manager Marcie Edwards spoke about the situation she inherited at the department. She answered questions residents had sent in by email in advance of the meeting about power outages and water bills. Ms. Edwards told us about their new billing system, which replaced the last one that was 40 years old, and that they have added 49 customer service reps to answer the phone. She assured us that things are getting much better.

The meeting was adjourned at 8:30 p.m., as promised.

Respectfully submitted,  
Pam Taylor,  
Secretary
