

# VOLUNTEER TEA

Meals on Wheels of West Los Angeles held its annual Spring Tea on Wednesday April 25. At this event we recognized and thanked all of our wonderful

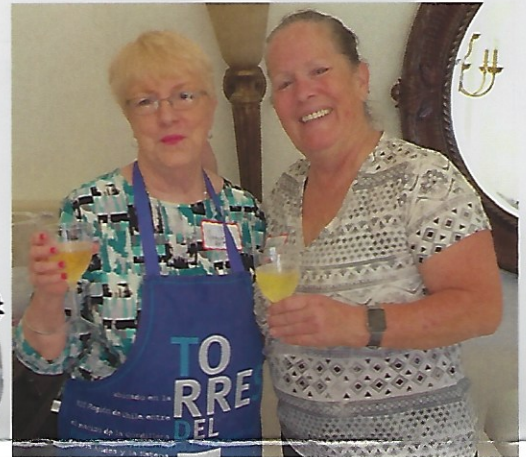

volunteers for their service.

Special thanks go out to Chris Ellis who is the master of prep and Joanne Foley who worked nonstop by (Executive Director) Ellen

Horwitz's side from prep through clean-up. Thank you's go out to: Suzanne Esnard, Christine Roscher (Assessment Coordinator) and Patricia Akaba (Executive Assistant). Without the help of all

these individuals, this event would not have been such a success! Everyone attending received gift cards. Awards went to Tom Igoe for 5 years of service. 10 year service awards went to Debbie Reamer and Marion Lefebre. Geoff Hartmann & Juanita Moore each received Carressa Carlstedt Caring Awards for service above and beyond. Wayne Koupal received a *Thank you* Star for his many years of dedicated service on

the Board, and as a daily volunteer. Lifetime Achievement awards went to Jim Carlstedt and Marie Lewis for more than 30 years of Volunteer service to our program.

**To everyone who attended, as well as those who could not be there, a sincere thank you for all you do!**
